

## United States Department of State

Washington, D.C. 20520

MAY 19 2003

Dear Mr. Speaker:

Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement for the manufacture of significant military equipment abroad.

The transaction described in the attached certification involves the export to South Africa of technical data and assistance in the manufacture of towed, turreted, and self-propelled artillery ammunition for end-use by the U.S. Army.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in dark ink, appearing to read "Paul V. Kelly", with a stylized flourish at the end.

Paul V. Kelly  
Assistant Secretary  
Legislative Affairs

Enclosure:

Transmittal No. DDTC 018-03

The Honorable

J. Dennis Hastert,

Speaker of the House of Representatives.
